

Spalding Hockey Club

24/25 Sponsorship Opportunities

About the club

Based in South Lincolnshire, we field 5 men's and 3 women's league teams, as well as a thriving junior section.

We welcome players of all abilities and pride ourselves on our family friendly club atmosphere.

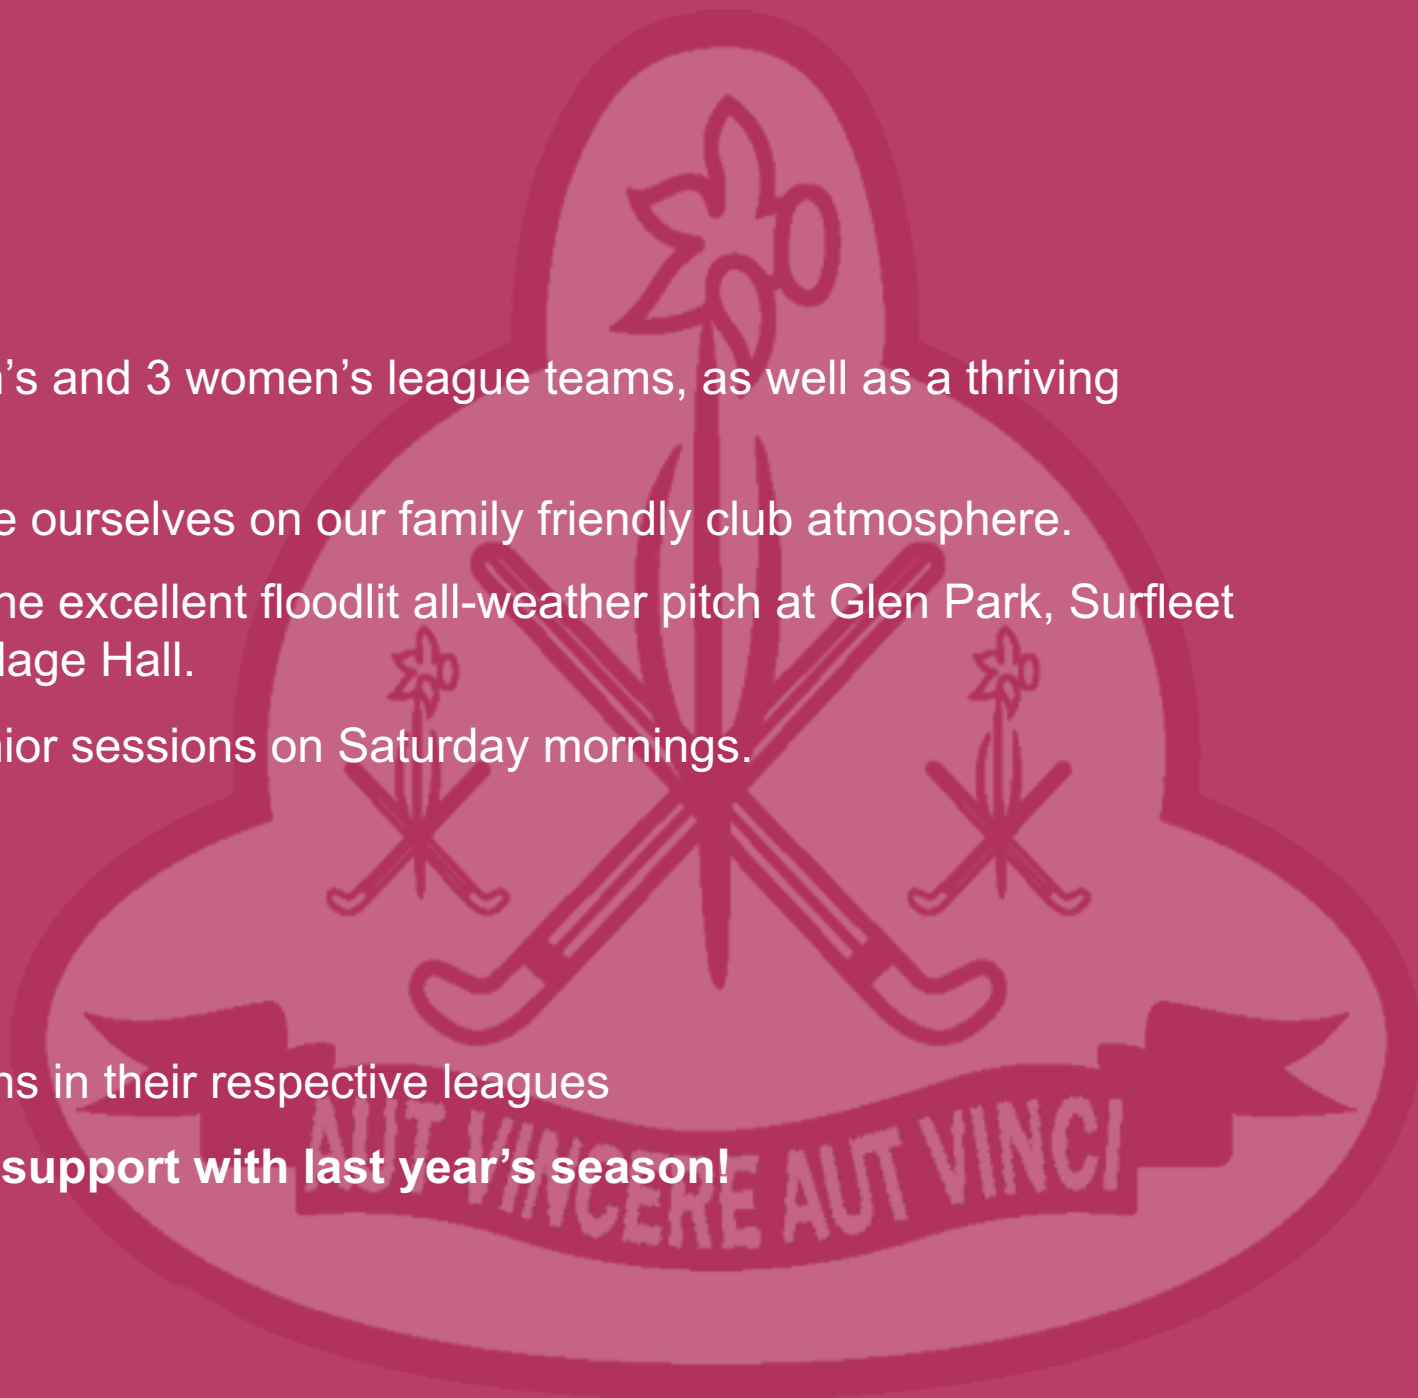

Spalding Hockey Club plays its hockey on the excellent floodlit all-weather pitch at Glen Park, Surfleet which is situated just behind the Surfleet Village Hall.

We train once a week as well as hosting junior sessions on Saturday mornings.

Key achievements last season...

- Ladies' 2's league promotion
- All other teams maintained strong positions in their respective leagues

We thank our 2023/24 sponsors for their support with last year's season!
